Submit your ads to online job boards with the myStaffingPro® Ad Feed module.

Features

- ▼ **Streamlined Ad Submittal** – Seamlessly submit a requisition to unlimited job boards without leaving myStaffingPro.
- ▼ **Customize the Ad Text** – Utilize the flexible myStaffingPro interface to modify or customize the job board ad text.
- ▼ **Select Job Board(s) by Job Opening** – Maintain control of your recruiting activities with job board posting by requisition. For each requisition, you have the ability to choose which job board(s) you post to. This enables you to pick the most effective job board for each posting.
- ▼ **Track the source of your Applicants** – Collect the exact source of the applicant with a “tracking code”. Applicants who apply through a job board posting are assigned a specific ad code that tracks what job board they responded to. The applicants’ source is then recorded in their file, and it can then be pulled into reports for further analysis.
- ▼ **Review your Advertising** – Discover which job boards your qualified applicants are applying from and pinpoint your most effective sources.
- ▼ **Track Cost per Hire** – Assign the cost of the job board posting and track the cost per hire with our exceptional sourcing reports.

Please contact your Sales Representative for additional functionality and pricing information.
